Read & Write for Google Chrome – texthelp

Introduction

The texthelp feature will direct the user to the texthelp main website. On the website, users can look through different products, find tutorials, and browse through various options.

Learning Objectives

Completion of this tutorial will give you experience with the following:

- Using the texthelp icon to open up the main texthelp website
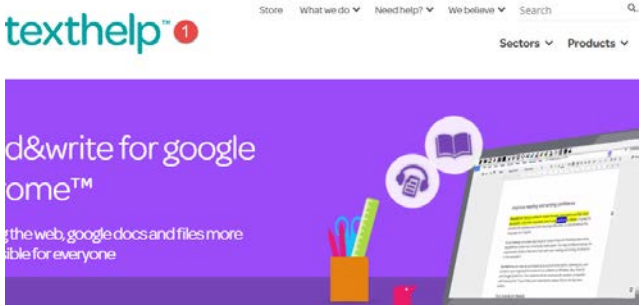

This tutorial assumes:

- Access to Google Chrome browser on a Windows, Mac or Chromebook computer and NOT a tablet.
- Read&Write extension for Google Chrome is installed.
- Access to the premium features. Click here to find out how.
- Access to the internet.

Case Study

Mr. Harnick would like to explore more options that are available on the texthelp website. These include things like the toolmatcher to see which features his students may benefit from using, or other products that texthelp has to offer.
