

Poll Everywhere

Introduction

Poll Everywhere is an online tool that allows you to poll or survey your class and collect results in real-time.

Learning Objectives:

Completion of this tutorial will give you experience with the following:

- creating a Poll Everywhere account
- creating polls online at www.polleverywhere.com
- creating polls in Microsoft PowerPoint
- sharing polls
- collecting data

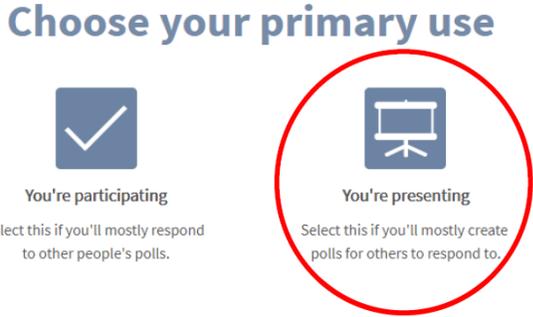

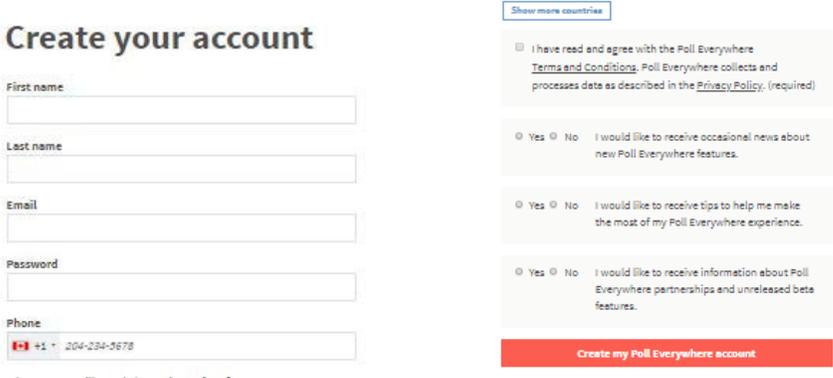

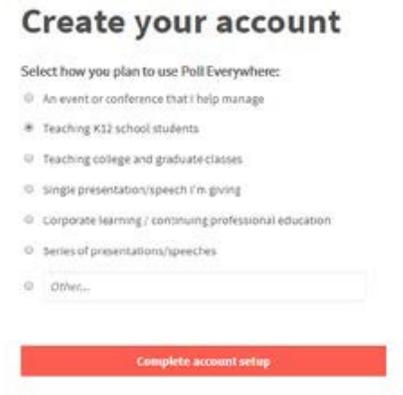

This tutorial assumes that:

- you have internet access and an active email account.

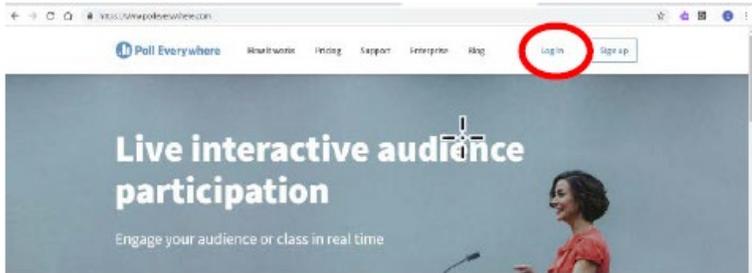

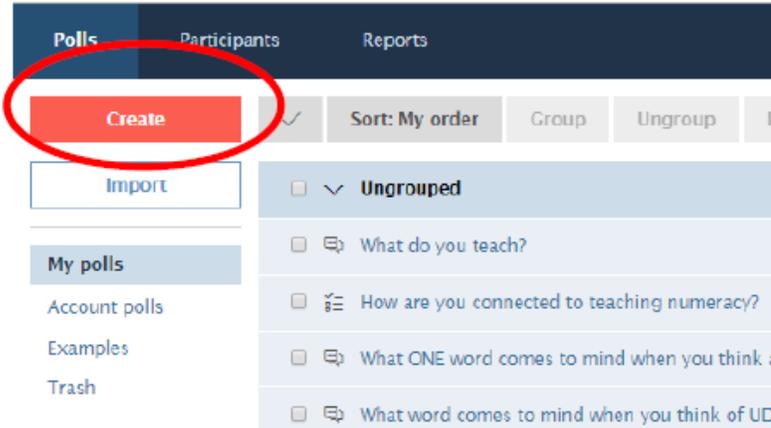

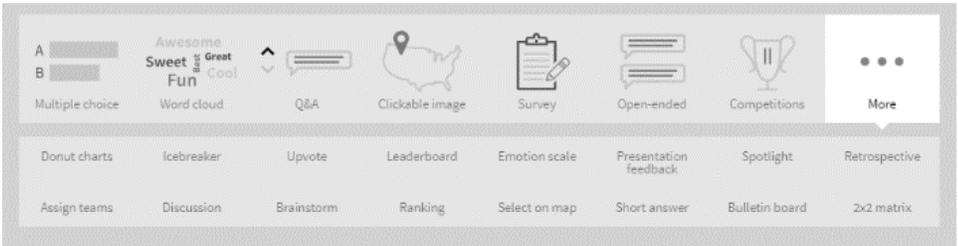

Case Study

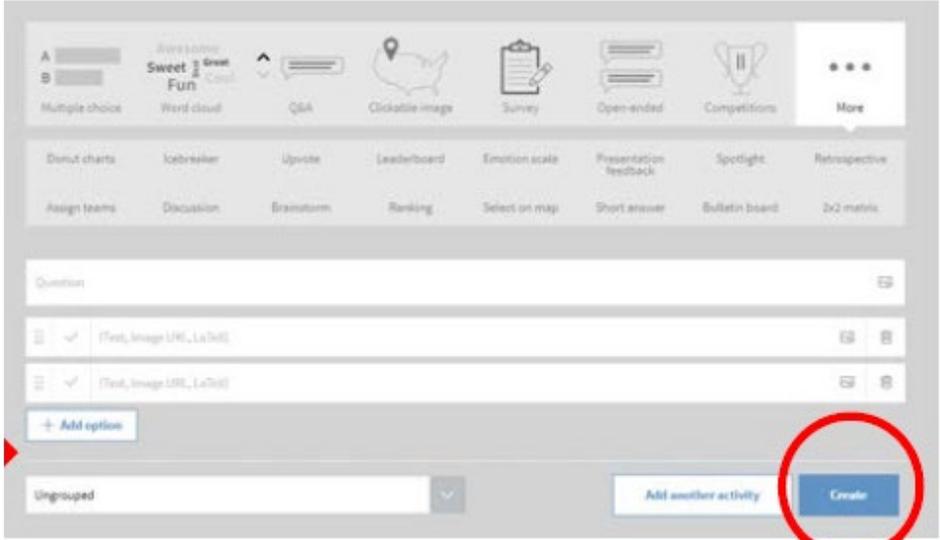

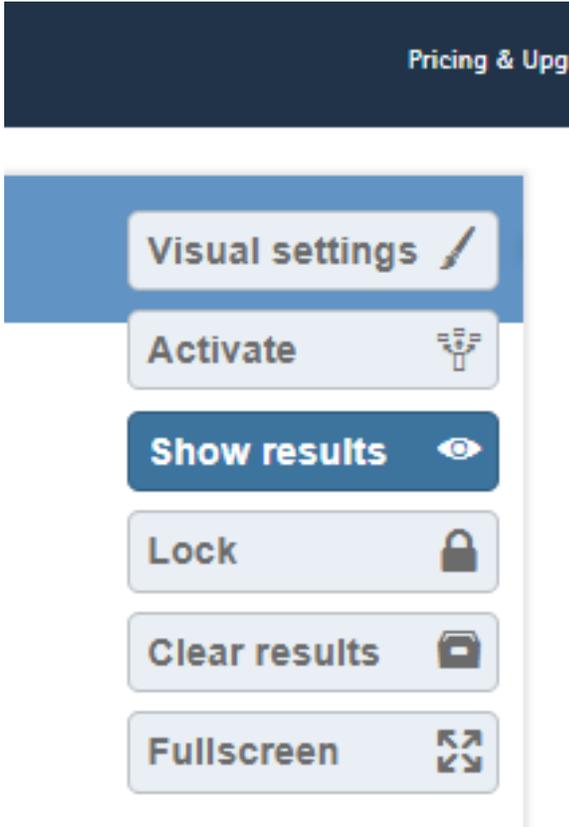

You need an engaging, real-time method to evaluate student understanding during your lessons, as well as a tool that allows all students to feel comfortable sharing their opinion or ideas.

Creating a Poll Everywhere Account

<p>1</p>	<p>In your web browser, go to www.polleverywhere.com Click on “Sign up”.</p>	
<p>2</p>	<p>Choose “You’re presenting” as your primary use.</p>	
<p>3</p>	<p>Enter your information to create a free account. Click “Create my Poll Everywhere account”.</p>	
<p>4</p>	<p>Select how you plan to use your Poll Everywhere account. Click “Complete account set up”.</p>	

Creating a Poll on the Poll Everywhere Website

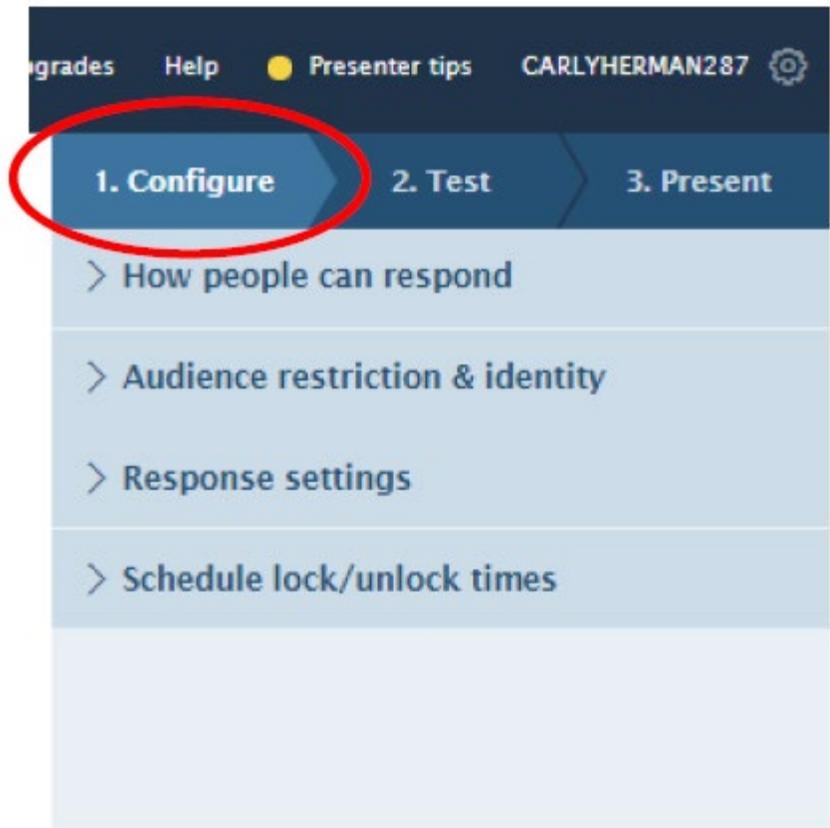

<p>1</p>	<p>In your web browser, go to www.polleverywhere.com</p> <p>Click on “Log in”.</p>	
<p>2</p>	<p>If you have previously made polls they will appear here, and you will need to click “Create” to make a new poll.</p> <p>If this is your first time creating a poll, skip to step 3.</p>	
<p>3</p>	<p>Select the type of poll you would like to create by clicking on it.</p>	

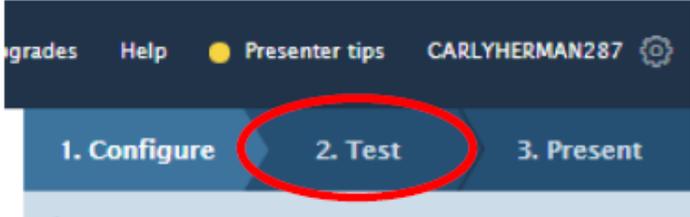

<p>4</p> <p>Enter your poll question, and answer options (if applicable). You can include images in your question and answer(s) if desired.</p> <p><i>Note: “ungrouped” is the only option in the dropdown menu, so you can leave that as the setting.</i></p> <p>Click “Create”.</p>	
<p>5</p> <p>When viewing your poll there are several actions available on the right side of your poll:</p> <ul style="list-style-type: none"> • Visual settings: allows you to choose how the results will be displayed (i.e.: bar graph, donut graph, word wall) • Activate: publishes your poll and makes it open for responses • Show results: when selected enables the results to be viewed in real-time as they are entered • Lock: allows you to lock your poll so responses cannot be entered • Clear results: allows you to reset your poll 	

6

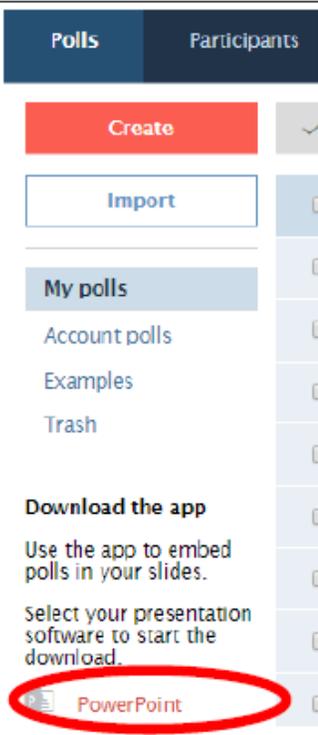

There are also options available under the “Configure” tab:

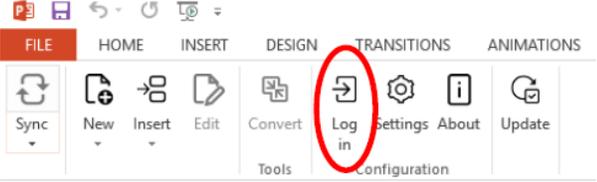

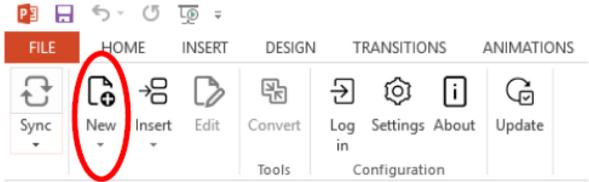

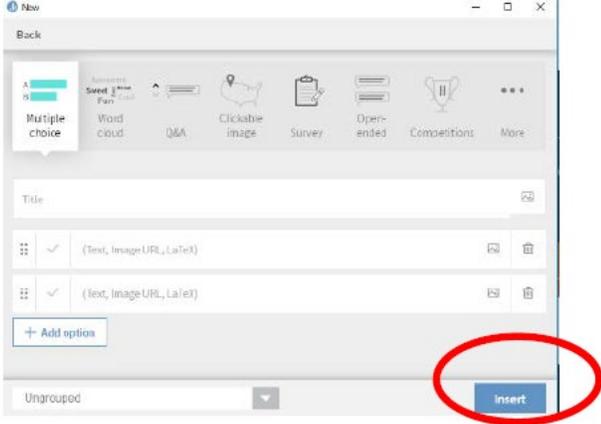

- **How people can respond:** this allows you to select whether you would like students to interact with your poll online or via text message
- **Audience restriction & identity:** this allows you to choose if responses will be linked to a screen name or be anonymous. *Note: users have the option to skip entering their screen name when responding to a poll*
- **Response settings:** this allows you to select how many answers a user may provide, or if they can change their answer once submitted
- **Schedule lock/unlock times:** this feature allows you to set the poll to lock and unlock automatically, allowing you to skip the “unlock” step described earlier
- **Moderation:** depending on the type of poll you have selected to use, there may be the option to have you approve responses before they are submitted

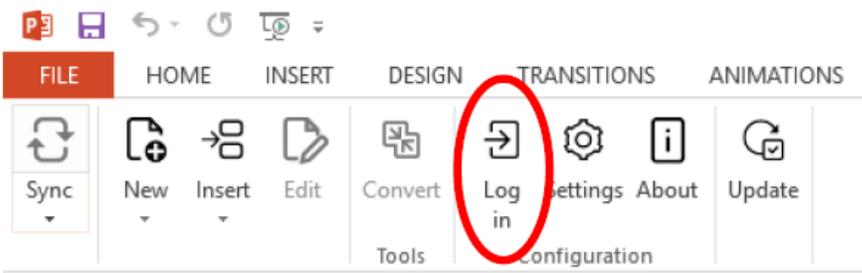

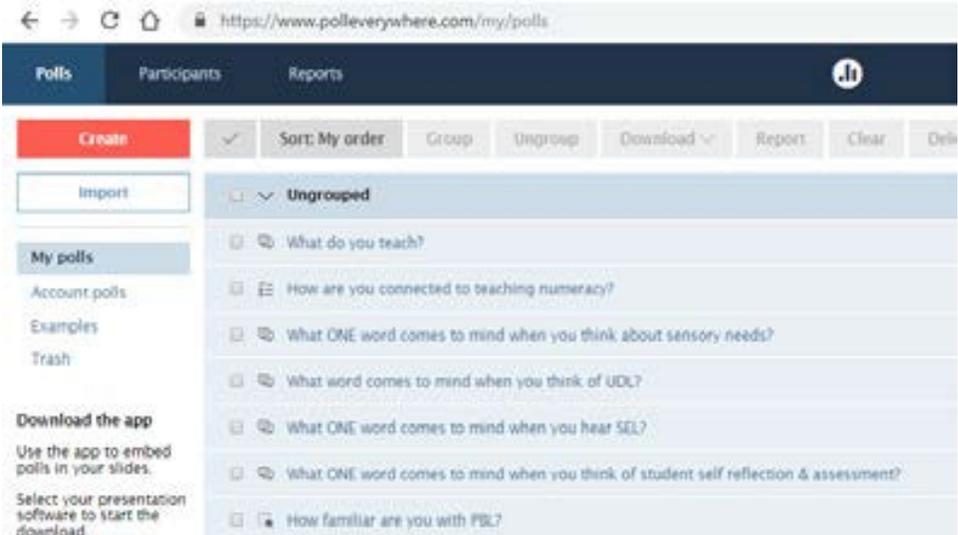

<p>7</p>	<p>Under the “Test” tab, you can trial your poll to ensure the responses will appear in the manner you want</p>	 <p>The screenshot shows a dark blue header with 'grades', 'Help', 'Presenter tips', and 'CARLYHERMAN287' with a gear icon. Below the header is a navigation bar with three tabs: '1. Configure', '2. Test', and '3. Present'. The '2. Test' tab is highlighted with a red circle.</p>
<p>8</p>	<p>There are presentation options under the “Present” tab:</p> <ul style="list-style-type: none"> • How to present: allows you to select if you will use your poll online from the website, or if you will embed it into a PowerPoint presentation • Share: allows you to select additional features for sharing your poll with students (these can be left to the default setting). 	 <p>The screenshot shows the same dark blue header as above. The navigation bar has three tabs: '1. Configure', '2. Test', and '3. Present'. The '3. Present' tab is highlighted with a red circle.</p>

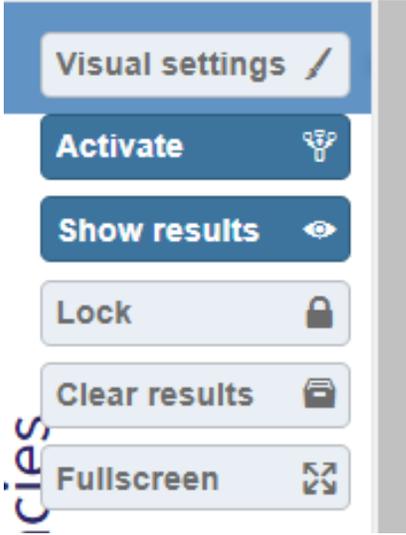

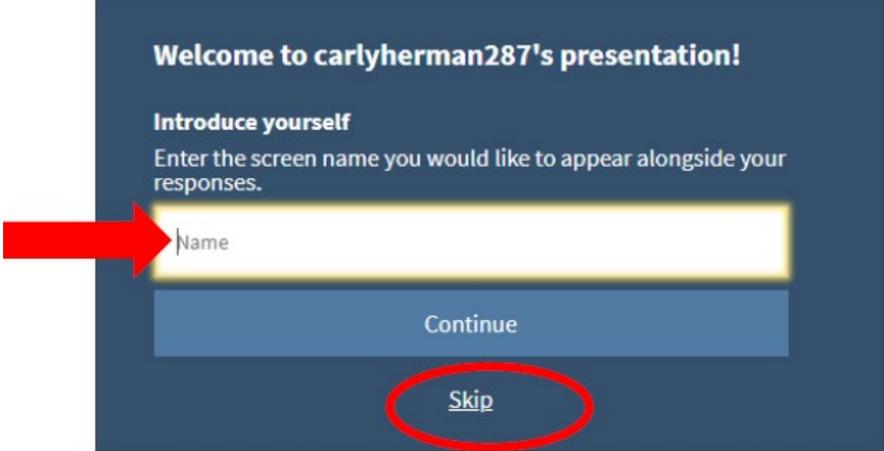

Creating a Poll in Microsoft PowerPoint

<p>1</p>	<p>In your web browser, go to www.polleverywhere.com</p> <p>Click on “Log in” and enter your credentials.</p>	
<p>2</p>	<p>Underneath the heading “Download the app” click on “PowerPoint”.</p>	
<p>3</p>	<p>A new screen will open, and you will need to click “Download”.</p>	

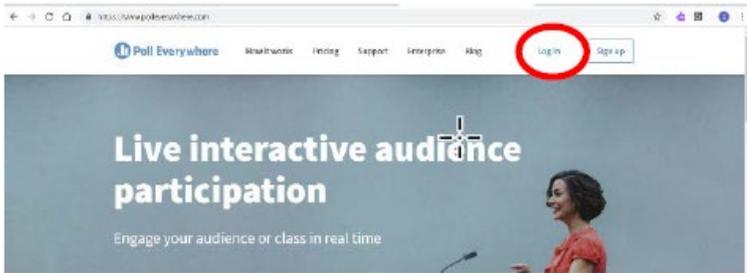

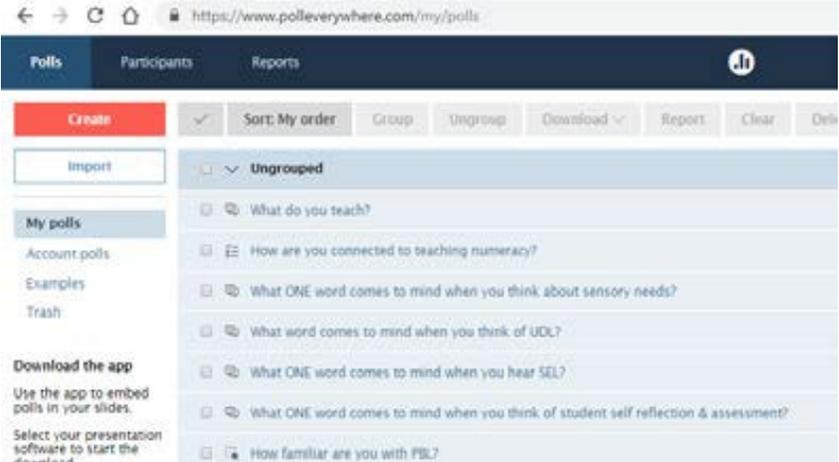

<p>4</p>	<p>Open the downloaded pollev.exe file to begin installation. Follow the steps to install as prompted.</p>	
<p>5</p>	<p>Open Microsoft PowerPoint on your computer. Click on the “Poll Everywhere” tab on the top menu bar.</p>	
<p>6</p>	<p>Click “Log in” on the menu bar and enter your credentials.</p>	
<p>7</p>	<p>Once logged in, click “New” from the menu bar.</p>	
<p>8</p>	<p>Select the type of poll you would like to create by clicking on it. Enter your poll question, and answer options (if applicable). Click “Insert”.</p>	

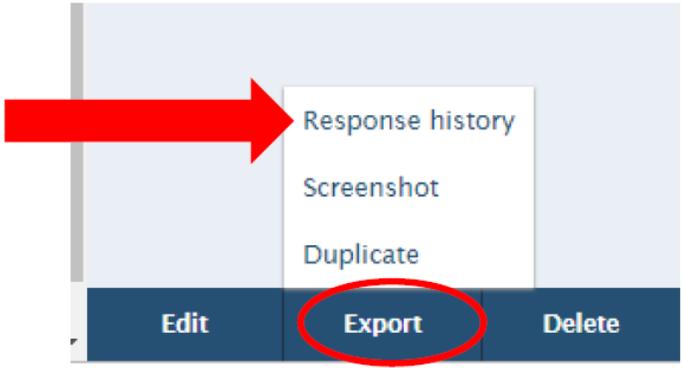

Sharing Polls

<p>1</p>	<p>If you created your poll within Microsoft PowerPoint, you do not need to share your poll. Ensure you are logged into Poll Everywhere within PowerPoint before you start your presentation, and the poll will be live when you present.</p>	 <p>A screenshot of the Microsoft PowerPoint ribbon. The 'TRANSITIONS' tab is selected. The 'Log in' button, represented by a right-pointing arrow, is circled in red. Other buttons visible include Sync, New, Insert, Edit, Convert, Settings, About, and Update.</p>
<p>2</p>	<p>If you created your poll on www.polleverywhere.com, you will need to log in to your account.</p>	 <p>A screenshot of the Poll Everywhere website homepage. The 'Log in' button in the top right corner is circled in red. The page features a large banner with the text 'Live interactive audience participation' and 'Engage your audience or class in real time'.</p>
<p>3</p>	<p>Click on the poll you would like to share.</p>	 <p>A screenshot of the 'My polls' page on the Poll Everywhere website. The URL is https://www.polleverywhere.com/my/polls. The page shows a list of polls under the 'Ungrouped' category. One poll is selected, and its details are visible: 'What ONE word comes to mind when you think about sensory needs?'. Other polls include 'How are you connected to teaching numeracy?', 'What word comes to mind when you think of UDL?', 'What ONE word comes to mind when you hear SEL?', 'What ONE word comes to mind when you hear SEL?', 'What ONE word comes to mind when you think of student self reflection & assessment?', and 'How familiar are you with PBL?'. The page also includes options to 'Create', 'Import', 'Sort', 'Group', 'Ungroup', 'Download', 'Reports', 'Clear', and 'Delete'.</p>

<p>4</p>	<p>Ensure you have selected “Activate”, and that “Lock” is <u>not</u> on. Click on “Fullscreen”.</p>	 <p>A vertical menu of settings for a PollEv presentation. The items are: 'Visual settings' (with a pencil icon), 'Activate' (with a key icon), 'Show results' (with an eye icon), 'Lock' (with a padlock icon), 'Clear results' (with a trash can icon), and 'Fullscreen' (with a four-way arrow icon). The 'Activate' button is highlighted in a darker blue, and the 'Fullscreen' button is highlighted in a lighter blue. A vertical watermark 'cies' is visible on the left side of the menu.</p>
<p>5</p>	<p>Instructions for how students can respond will be at the top of the screen.</p>	 <p>A horizontal banner with a computer monitor icon on the left and the text 'Respond at PollEv.com/carlyherman287' on the right. The entire banner is circled in red.</p>
<p>6</p>	<p>If students are entering their poll responses using the web, they will be prompted to enter a username.</p> <p>You can choose to have them enter a username, or prompt them to click “Skip”.</p>	 <p>A dark blue screen with white text. At the top, it says 'Welcome to carlyherman287's presentation!'. Below that, 'Introduce yourself' and 'Enter the screen name you would like to appear alongside your responses.' A text input field labeled 'Name' is highlighted with a yellow glow, and a red arrow points to it from the left. Below the input field is a blue 'Continue' button. At the bottom, a 'Skip' button is circled in red.</p>

Collecting Data

<p>1</p>	<p>You can collect data while your poll is in use – using students’ answers to gauge understanding or collect ideas/opinions in the moment.</p> <p>This example is a word cloud sharing prior knowledge about SEL that was then used to guide conversations.</p>	
<p>2</p>	<p>You can also access data from your poll after the activity has ended. Begin by logging in to your Poll Everywhere account.</p>	
<p>3</p>	<p>Click on the poll you would like to look at the data from.</p>	

<p>4</p>	<p>Click on “Export” at the bottom right corner of your screen. Select “Response history”.</p>	 <p>A screenshot of a poll interface. At the bottom, there are three buttons: 'Edit', 'Export', and 'Delete'. The 'Export' button is circled in red. A red arrow points from the left towards a dropdown menu that is open, showing three options: 'Response history', 'Screenshot', and 'Duplicate'. The 'Response history' option is highlighted.</p>																																												
<p>5</p>	<p>The screen that opens will show you individual responses – if you had students use screen names to respond, you will be able to see how each student responded here.</p>	<p>Results for: What ONE word comes to mind when you hear SEL?</p> <p>Summary</p> <table border="1"> <thead> <tr> <th>How people responded</th> <th>Count</th> </tr> </thead> <tbody> <tr> <td>poller.com/carlyherman287</td> <td>25</td> </tr> </tbody> </table> <p>Individual Responses</p> <table border="1"> <thead> <tr> <th>Response</th> <th>Via</th> <th>Screen name</th> <th>Received at</th> </tr> </thead> <tbody> <tr> <td>Respect</td> <td>poller.com/carlyherman287</td> <td>quest731</td> <td>February 20, 2019, 03:14 PM</td> </tr> <tr> <td>Frustration</td> <td>poller.com/carlyherman287</td> <td>quest068</td> <td>February 20, 2019, 03:14 PM</td> </tr> <tr> <td>Everyone</td> <td>poller.com/carlyherman287</td> <td>quest108</td> <td>February 20, 2019, 03:14 PM</td> </tr> <tr> <td>Mindful</td> <td>poller.com/carlyherman287</td> <td>quest068</td> <td>February 20, 2019, 03:14 PM</td> </tr> <tr> <td>Authenticity</td> <td>poller.com/carlyherman287</td> <td>quest180</td> <td>February 20, 2019, 03:14 PM</td> </tr> <tr> <td>Regulation</td> <td>poller.com/carlyherman287</td> <td>quest107</td> <td>February 20, 2019, 03:14 PM</td> </tr> <tr> <td>Safe</td> <td>poller.com/carlyherman287</td> <td>quest948</td> <td>February 20, 2019, 03:14 PM</td> </tr> <tr> <td>Compassion</td> <td>poller.com/carlyherman287</td> <td>quest744</td> <td>February 20, 2019, 03:14 PM</td> </tr> <tr> <td>Salt</td> <td>poller.com/carlyherman287</td> <td>quest001</td> <td>February 20, 2019, 03:14 PM</td> </tr> </tbody> </table> <p>The 'Screen name' column in the Individual Responses table is circled in red.</p>	How people responded	Count	poller.com/carlyherman287	25	Response	Via	Screen name	Received at	Respect	poller.com/carlyherman287	quest731	February 20, 2019, 03:14 PM	Frustration	poller.com/carlyherman287	quest068	February 20, 2019, 03:14 PM	Everyone	poller.com/carlyherman287	quest108	February 20, 2019, 03:14 PM	Mindful	poller.com/carlyherman287	quest068	February 20, 2019, 03:14 PM	Authenticity	poller.com/carlyherman287	quest180	February 20, 2019, 03:14 PM	Regulation	poller.com/carlyherman287	quest107	February 20, 2019, 03:14 PM	Safe	poller.com/carlyherman287	quest948	February 20, 2019, 03:14 PM	Compassion	poller.com/carlyherman287	quest744	February 20, 2019, 03:14 PM	Salt	poller.com/carlyherman287	quest001	February 20, 2019, 03:14 PM
